

PRESS INFORMATION

D-Breisach, 19th May 2015 **For a perfect front view WUNDERKIND- Custom makes a new lamp holder which combines several useful functions in addition to filigree design.**

“We wanted to create a spotlight holder which significantly enhances the front of the bike while also allowing a great lighting and providing numerous functions in a single unit”, describes CEO Christian Mehlhorn the new high-end product.

The new lamp holder is universal: The 2-piece clamp individually adapts to the width of the housing of the headlamp. Moreover, this construction also allows a simple mounting. The CNC-milled parts are available for the fork diameter 49, 50, 52, 55 and 56 millimeters. A further advantage: Depending on the front end you can choose between a short version (clamping arm of 52 mm) and a long version (clamping arm of 72 mm).

Price per pair: EUR 159,00 incl. VAT
